

THE ROLL OF HONOUR

The original Roll of Honour was taken from the Commonwealth War Graves list and was augmented after many months of intensive research by our Archivist June Eastlake. Her efforts have resulted in a further 76 names being added to the memorial. The Roll of Honour is also on display in the 'de Bermingham' Chapel in the church of St. Martin -in - the Bull Ring. This was generously provided along with the BARRA Standard by the late Alistair G. Cave. Hanging above the display cabinet containing the Roll of Honour is a framed print depicting the B.S.A (Birmingham Small Arms factory, Armoury Road, Small Heath, Birmingham) during one of the many air raids Birmingham suffering during the Blitz in which 53 people were killed.
